ALMA MATER

Broward Gracious Alma Mater.
We thy name revere.
May each noble son and daughter cherish thine honor dear,
May thy lamp be ever bright guiding us to truth and light.
As a beacon o'er dark water.
This is for thee our prayer.

May the years be kind to Broward.
May she grow in fame,
May her children fail her never.
True to her beacon flame,
May her spirit brave and strong honor right and conquer wrong.
This is the burden of our song.
Ever her truth proclaim.

COMMENCEMENT SPEAKERS

George I. Platt Esq.

With more than 50 years in Florida, George Platt has left an indelible mark in public service, the legal profession, education, and the civic landscape of the Sunshine State.

A 1964 graduate of Broward Community College, Mr. Platt went on to the University of North Carolina at Chapel Hill where he majored in political science. From there he went to Northeastern University's School of Law, in Boston, where he earned his Juris Doctor degree.

After serving in the Peace Corps, as a special education teacher in North Carolina, at Harvard's Center for Law and Education and in an overseas fellowship at the Universidad Catolica School of Law in Santiago, Chile, Mr. Platt moved back to Florida, where he has served in the public and private sectors with distinction.

Among his many activities was nine years of service, two of them as chair, on the State Board of Community Colleges. He has chaired the Metropolitan Planning Organization, the Property Appraisal Adjustment Board, and served a two-year term on the Broward County Commission. The focus of his community and public service has primarily been in the areas of libraries and literacy, education and the environment.

He has received many awards and honors, including the Broward Leader of the Year Award from Leadership Broward and the Downtown Council's Downtowner of the Year award.

Currently, Mr. Platt serves as managing partner of the Fort Lauderdale law firm Schutts & Bowen LLP.

Judge Catalina M. Avalos

Catalina Avalos was born in Medellin, Colombia and came to the United States with her parents and younger brothers.

She began her higher education at Broward Community College where she participated in the Honors Institute. She went on to Florida International University, where she majored in political science, then went on to the Shepherd Broad Law Center at Nova Southeastern University, where she earned her Juris Doctor degree in 1996.

She started her law career in private practice, working on worker's compensation cases, then began work for the Misdemeanor Trials Unit in Broward County, where she served as deputy chief. In 1997 joined the Broward County State Attorney's Office, where she prosecuted repeat offenders and murder cases. She also served in the juvenile division. In August of 2005, she was nominated to fill a vacancy in the 17th Judicial Court. Gov. Bush selected her from the group of 16 finalists. Judge Avalos handles civil and criminal cases in her courtroom.

She has served as an adjunct professor at BCC, is immediate past president of the Broward County Hispanic Bar Association, and was named one of the 2005 Hispanic Women of Distinction. She is a recipient of the March of Dimes Women of Distinction Award and the Broward County Paul May Young Lawyers Section Professionalism Award.

ACADEMIC COSTUME

In the medieval universities, students and teachers wore gowns indicating their status and scholastic achievements. European institutions still show great diversity in the specifications of academic dress, but American colleges and universities preferred to adopt some definite system which all could follow. Accordingly, in 1895, at Columbia University, an intercollegiate commission drafted a uniform code for the use of caps, gowns and hoods. These standards, with few revisions, are still in effect. Broward Community College will follow the Academic Costume Code.

Four academic degrees are generally recognized: the associate, the bachelor, the master and the doctor. The associate degrees (associate in arts and associate in sciences) are offered by the standard two-year junior colleges. The other three are conferred by universities and colleges. The bachelor's or baccalaureate degree takes its name directly from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach, and sometimes was followed by the express words *Licentia Docendi*. The doctor's degree, when earned by study, indicates advanced study and independent research in a specialized field of learning. Honorary degrees are granted for meritorious service and for distinction in public or private endeavor.

Those holding a bachelor's degree wear a black gown fastened at the top, distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, has long closed sleeves with an arc of a circle appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor's gown, usually worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve. A hood made of the same material may be worn with the gown. The bachelor's hood is three feet long, with a two-inch strip of velvet; the master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long, faced with a five-inch

strip of velvet. The color of the tassel or velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: ARTS, white; SCIENCE, golden yellow; EDUCATION, light blue; ENGINEERING, orange; MUSIC, pink; LIBRARY SCHOOL, lemon yellow; BUSINESS, drab; JOURNALISM, crimson; LAW, purple; THEOLOGY, scarlet; PHILOSOPHY, dark blue. Each hood is also lined in silk with the colors of the institution which granted the degree, as for example, garnet and gold for Florida State University, orange and blue for the University of Florida.

The appropriate cap for all degrees is the familiar black "mortar board." A tassel, black or a color signifying the field of specialization, is worn hanging to the left of the face. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study, or with the mortar board, they may wear a tassel in gold or in part of gold thread.

The mace, carried by the parade marshal, is a symbol of the authority vested in the college president. In medieval times, it was a weapon of war which was effective against the strongest armor and was used chiefly by knights. Maces were often borne by a royal bodyguard to protect the king in processions, but in the course of time (by the 14th century) they assumed more ceremonial functions and lost their warlike appearance. A mace is carried in academic and ecclesiastical processions, particularly in English-speaking countries.

At Broward Community College, academic distinction is noted by the addition of one or both of the following to the graduate's regalia: The tri-cords in royal blue, white, and antique gold represents the academic distinction of membership in the Honors Institute. The gold satin stole and gold tassel represents the academic distinction of membership in Phi Theta Kappa.

PHOTOGRAPHS

Parents and Friends taking photographs are asked not to block the vision of other guests or interfere with the routes of our graduates. The placement of tri-pods and other equipment that may interfere with the ceremony is prohibited. Please follow the instructions of our ushers.

Commercial photographs of the graduates will be prepared by Bob Knight Photomarketing, Inc. Names and addresses of participating graduates will be provided to the photographer for subsequent communications. Free proofs will be mailed within one week.
